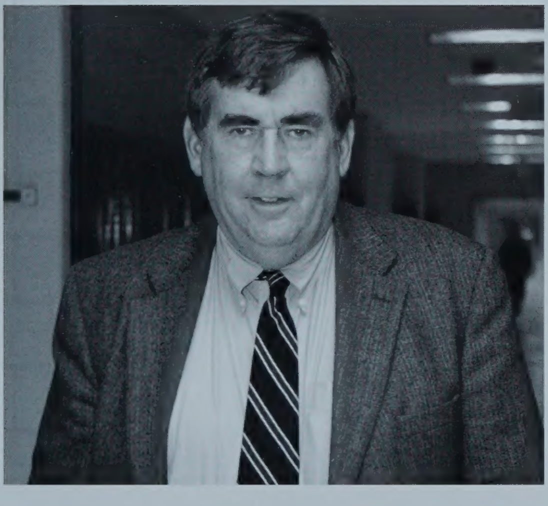
Dedication

Class of 2007

The Class of 2007 would like to give a special thanks to Mrs. Woelfel and Mrs. Kach for all their hard work and devotion to our class. Without them, we would not have had such successful fundraising programs, a prom that will never be forgotten, and memories that will last a lifetime. We would not have been able to win Winter Carnival two years in a row without them both. We thank them for making a lasting impression.

The Class of 2007 extends a huge thank you to our outstanding officers who not only took their positions seriously, but made the class of 2007 a family. All of your hard work was much appreciated in making the past four years full of memories that will last the rest of our lives. Our four dedicated officers were the heart of a class full of spirit, energy and Woolie Pride. Under their guidance, we were able to accomplish great things together during our four years at MHS.



The Class of 2007, as well as the underclassmen, faculty, staff, and parents, would like to thank Mr. Roach for his 12 years serving as superintendent of the Millbury Public Schools. Throughout the years, Mr. Roach has worked endlessly to bring the district to higher standards. His dedication to the school and its "Woolie Pride" will never be forgotten.
We wish him the best of luck in all his future endeavors. He will be greatly missed by all.

Captains

August 2006, the Millbury Woolies Football Team started another year. They had been told that this would be a rebuilding year, that any sort of a winning record would be a major accomplishment. The critics forgot the team they were talking about was Millbury. From day one, the seniors made it clear that this would not be a rebuiling year, in fact this would be a year that we would be in the hunt for a superbowl. However after the first two games, everyone counted them out, they figured that Millbury couldn't go anywere and that a winning record was even out of reach. From that moment on, Millbury played recklessly, with passion, enthusiasm, and a desire to win. The brought with them a certain swagger, something only found in Millbury. The loss to Auburn stopped the Woolies dreams of going to the superbowl yet again. Most teams would have tossed in the towel and just coasted; actually, almost all teams would have. However, the Woolies made a choice. Rather than giving up, they decided that if they were going to go out, they were going to shatter and crush every teams dreams on their way out, and that is exactly what they did. The seniors lead a team that played like they hated everyone. Their way of playing is a way that will be remembered by every team that walks through the door with the quote "football in December".

Captains

For the second consecutive year, the Girls Varsity Soccer Team proved to be a team to beat. The girls finished the season with a 12-4-3 record making it all the way to the semi-finals, the farthest any girls' soccer team has ever made it in Millbury history. The team was led by the five returning seniors; Steph Beausoleil, Steph Crain, Emily Kelosis, Aly Monteith, and Julie Murray. Throughout the season the team competed in the running for a SWCL title but fell just short of that this year. One of the biggest wins of the season was against a strong Division 1 team from Sheperd Hill Regional High School. The girls beat the Hill 2-1, their first time beating them since 1986. In the opening round of districts, the girls were able to upset the Oxford Lady Pirates in double over-time at their home field. The team prepared the week after for their first semi-final apperance in history against the defending state champions, the Warriors of Nipmuc Regional High School. The girls fell short of a semi-final victory, but this season was one of the best in Millbury history. Congratulations to sophomores Erika Higginbottom and Hannah Moriarity and senior captain Julie Murray for being named Southern Worcester County League All-Stars. Hannah Moriarity and Julie Murray were also named Central Massachusetts All-Stars. The seniors would like to thank the girls and coach Burnett for an unforgettable season!

Captains

The 2006 Boys' Soccer Team closed on a high note, by beating Auburn and then Grafton in the last two games. Although it was a season full of unsatifactory results, the team had many moments of glory. This includes the last game of the season, where the Woolies knocked the Grafton Indians out of the District Tournament. With many losses and a few wins, the team never gave up, thanks to the leadership of the season's seniors. Jay Tarantino, in his first year on the team, provided a spark for everyone with his great speed. Dave Nyce was the General of the Defense. Bill Breault kept the team focused and loose at the same time. Josh Laflash was Dave's strong wingman in the defensive force. Jeremy Rose gave the team the energy it needed for every game. With standout players such as Ryan O'Leary, Chris Tarantino, (Freshmen) and Steve De' Oliveira (Sophomore), the Woolies hope that the hard work this year will pay off for future success. Junior leaders Criag Swanson, Jesse Anaya, and Nate Pesquale helped lead the forces in the team's effort. With signs of improvement, the boys know that the next few seasons will be something special. Everyone is looking forward to haveing a successful season next year.

Captains

The Girls Cross Country team had yet another winning season this year. They came out victorious in all of their beginning meets. All of the members of the team really worked hard to do their best at all times. They were led by great coaches and the seniors helped guide the team as well. They maintained an undefeated record until the end of the season when they fell just 3 points short against rivals Uxbridge. Jenna Kay Boucher, Kayla Berube, Alicia Setaro, and Katie L'Esperance were all SWCL All-Stars. Jenna Kay Boucher qualified for the state meet which was held at the difficult Northfield Mountain Course. Although the team will be losing seniors Jenna Kay Boucher, Kayla Berube, Allison Crane, and Christina Merulla, the girls are looking forward to another successful season ahead when they will be led by captain Rachel Wall.

"Do Work!"

-Team

Captain Nate Church

This year the boys cross country team finished with a strong winning season going 10-3 and earning a 4th place finish in the championship meet at Southbridge. The team this year was led by captain Nate Church who added his "Punisher" moral to the cross country team's spirt. The juniors, Eric Thulin, Jimmy Goyette, Rob Picking, Jay Mckenny, Kyle Merulla, and Neal Reilly, made up most of the 12 man team and offered much advice to the new recruits. The juniors really helped the younger members of the team and helped everyone to come together. Sophomores Tim Mazeika and Nial Luu both made their presence known throughout S.W.C.L finishing 1st and 2nd in most races. The freshmen on the team consisted of Pat Daley and Mike Tucker, both proving to be great additions to the team. We also had one eighth grader on the team, Eric Fitzpatrick, another great addition. Overall, the boys had a great year and are expecting to improve for next year's season. Everyone is looking forward to a great year next year.

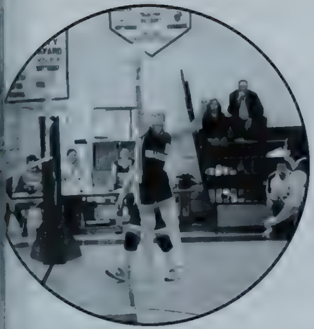
Captains



This year the girls volleyball team had a great season, ending with a record of 16-8. The girls and Coach McKeon worked hard to achieve their victories this season. There were many tiring practices and much preparation for all of the games that were played. Seniors Katie White, Renee LaValle, and Deanna Flaherty were great leaders who helped to keep moral up and encouraged everyone to always do their best. The younger players on the team all made great contributions in their own ways. Next year the girls plan to work hard to improve their record even though they will miss their senior leader. The juniors on the team plan to step into their new leadership roles and lead the team on to many victories. The girls would like to thank Coach McKeon for a great season and they are all looking forward to competing next year.

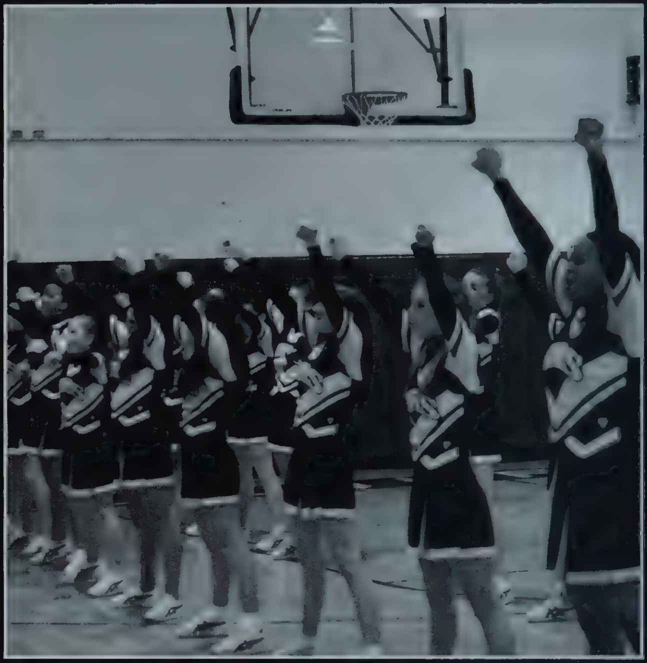
TRUE UNDERDOGS

This year's golf team was suppose to be a disappointment when compared to last year's outstanding performances. With only two returning out of last years amazing starting six, the team was going to be inexperienced. Through hard work and effort, and to everyone's surprise, the team finished with a very good 11 and 9 record. The team was led by returning seniors James Fitzpatrick and Jake Hubley. Also stepping up were sophomores Sean Kelly and Tucker O'Brian, and seniors Chris Chartier and Steven Belanger. When the team entered into the SWCL tournament, our hopes were high. We shocked everyone again by finishing second and upsetting the powerhouses of Aurburn and Grafton. Leading the way was Chris Chartier, the number six player who shot an outstanding 72 even par. It was a great season and the future looks bright for the team.

Cheering

Cheering



"Let loose the Woolie juice!"

-Team

The Fall Cheerleaders had a great season this year. Captains were juniors Samantha Hopkins and Jess Hawthorne and senior Samantha Pugsley. The team had a lot of fun cheering at all the football games and would like to congratulate the football team on all their accomplishments and success. The cheerleaders also had a successful competition season. Although they competed against very challenging Division 3 teams, they won second place at the Leominster and Shepherd Hill Invitational Competitions, as well as the SWCL League and Central Mass Regional Competitions. They ended their season qualifying for the State Championships. The team will greatly miss the three seniors: Chelsea Sheehan, Jessica Kniskern, and Samantha Pugsley.

The Winter Cheerleaders had a great season as well. The team was led by captains Jess Hawthorne, Sam Hopkins, Jess Kniskern. The girls even ended up champions of the Regional Competition; this was an amazing accomplishment. All in all, the cheerleaders had a wonderful season, lots of fun, and made many great memories and friendships. Everyone is looking forward to next season.

"Losing is NOT an option!" -

-The wise words of Amma.

Captains: Renee King, Amma Ageyman

Coming into the 2006-2007 Lady Woolies basketball season, the girls had one thing on their minds. They wanted to win the SWCL championship for the first time in 52 years. On February 5, 2007 the Lady Woolies accomplished their goal and won the SWCL title against their rivals, the Uxbridge Spartans. Not only did the girls win the championship but they also went undefeated in SWCL East as well. Headed into the districts with a record of 19-1, only losing to Quabog, the girls had now set bigger goals for themselves, to bring home a District Championship. Their first opponent was St. Bernards, a team that had won the districts the previous year. For two weeks, the girls prepared for the Bernardians by practicing against some of the Boys Varsity players. Although the practices were tough and frustrating, it ended up paying off because the Lady Woolies beat St. Bernards by 19 points and headed into the District Finals for the first time in school history. They faced Groton Dunstable, a team that was said to shoot "lights out". With hard defense and a full court press, the girls beat Groton Dunstable by 19 points and became the Division II District Champions for the first time in Millbury High School history. They played Hampshire Regional in the State Semifinals and lost by 8. The Lady Woolies would like to dedicate their season in the memory of Erin O'Donnell, a previous assistant coach who passed away from cancer. EO #21

The 2006-2007 Millbury boys basketball season did not turn out the way we hoped it would. We practiced hard every day but our season did not end the way that we wanted it to. We all had the high hopes of winning more games. Our record ended up being 9-10, so we were just shy of getting into districts and the Clark Tournament. We had about 5 games that were lost by 1 or 2 points which really hurt us as a team. The team was lead by captains Carlos Sanchez, Chris Dupre, Jake Hubley, and Mike Baroni. The captains did a great job leading the team and keeping them motivated. Other key players were Nate Wool, Dan Puchala, and Kraig Swanson. These three players will be sure to step up next year and take the lead. The team is going to come out and practice really hard next year and everyone hopes to make it to both districs and the Clark Tournament. Thanks to coach Bergin for all of his hard work and dedication to the team. We became one of the closest teams in years.

An undefeated season, with multiple records broken, and plenty of fun along the way, this year's indoor track team was definitely one to remember. With a senior powerhouse supported by promising underclassmen, the girl's indoor track team proved to be stronger than ever. The team was guided under the strong leadership of captains Jenna Boucher, Kayla Berube, Steph Crain, and Christina Merulla. They began their season with first place finishes in the 4x600m, 4x800m, as well as the high jump at the League Relay meet. Later on in the season, the team defeated rivals Grafton in a close meet to become League Champions. At League Meet, the girls placed 3rd overall. Steph Crain broke the district 55m hurdle record, while snatching another first place in high jump. The seniors would like to thank the team for the memories and medals, and Coaches Sutphen and Reidy for their support.

Inspired by their veteran runners and their group of talented underclassmen, the Millbury Boys Track team finished the season on a good note, with a record of 3-3, much better than last years 0-6 record. Personal records as well as league records were broken this season. Senior captain Jay Tarantino broke the league record in the 50m dash. Senior captains Dave Nyce and Nate Church ran personal bests in each of their races. The league championship meet included some outstanding performances such as Jay Tarantino's first place finish in the 55m dash, plus Jimmy Goyette's 3rd and Nial Luu's 6th both in the 600m. Other places include sophomores Timmy Mazeika in the two mile, and Bryan Nelson and Tom Murray in the hurdles. The boys would like to thank Coach Sutphen and Coach Reidy for rebuilding the team, and for helping them become contenders for the League title in the future.

The 2007 Girls Varsity Softball team was unable to reach their goal of qualifying for the districts. However, the team got off to a great start. Led by senior pitcher Julie Murray, the team swept through their opening games and started the season with a winning record. The whole team worked hard at practice but the team faltered toward the middle of the season and couldn't rally to make the districts. The team had a lot of young and inexperienced players who contributed in all aspects of the game. They were led by solid defensive play up the middle, with senior Ashley Allain stepping up as catcher, senior Julie Murray pitching every game, and senior Renee LaVallee playing a solid shortstop. Other experienced upperclassmen who greatly contributed to the team include juniors, Kritsty Maguire, Samantha Ellis, and Laura MacAdam. The team worked hard and even though they didn't make the districts they learned a lot from the season. Hopefully next year the team will be able to reach their goal.

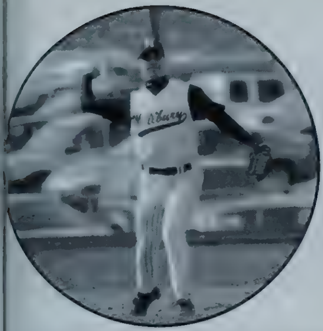
Captains



Last years boys Varsity Baseball Team had a slow start. There were a lot of new players joining the Varsity level. Lead by captains Paul DiLeo and Carlos Sanchez, the Woolies finished the season with a 5-15 record. This was definitely not the best season for the Woolies, but the players can use this season as a precedent so that the under 500 record won't be repeated. The younger players on the team contributed in many different aspects. The upcoming seasons should produce championships and bring back the Woolie Pride to the baseball field. All of the underclassmen plan to work hard in the off season and everyone is looking forward to having a successful season next year. The players would like to thanks Coach Stepien for all of his hard work and dedication.

The Girls Spring Track team had a very successful season. With more than 60 girls participating, the team was led by a senior powerhouse, supported by veteran competitors, and inspired by promising new-comers. The girls had a great start to their season, with an early win against Sutton, and a close 2nd place finish at District Relays. The 4x400m relay, high jump, and shot put teams all captured first place at relays. Although the girls fell just 8 points short of defeating rivals Uxbridge, they continued to be the team to beat at both League and Districts. Season highlights include new school records by Kirsten Orrell in shot put and discus, and Erika Higginbottom in triple jump. The girls would like to thank all of their coaches, but especially Coach Digangi for all of his hard work and support. The senior captains wish the team the best of luck next year... we will miss all of you!

To my Stephanie,

If I had to use one word to describe you- that would be "PERFECT". When I was young and pregnant with you, I used to lie in bed at night and feel you move in my belly. I would think about what you might look like, what your personality would be like and what you might be when you grow up. You have become more of a woman than I could have ever imagined. You and your sister are the reasons why I never gave up all those times when things were bad. You are my pride and joy- my daughter- my best friend. You are loving, caring, compassionate and my wish for your future is just to stay exactly how you are... Because you are Perfect!

I love you, Mom

Congratulations Billy!
We're very proud of you.
We wish you the best
as you go off to college.
Love, Mom, Dad and Julie

Paul,

We are all proud of all your accomplishments; since the first day of school you have done your best both academically and athletically, always with a bright smile on your face!

We love you! Dad, Mom, Harry and Frank

Jake,

Here you are. It was a long road, with many hills. You can do anything. Be anything. Have it all. Go for it. Be true to yourself. Strive to be happy. Follow your heart. Do something you love and will always be happy with. Life is a gift, uncertain in many ways. Untie the ribbons. Make the most of your gift!

Love always, Mom

Jennakay-My favorite daughter,

You've always been able to seize the day making it your own with your quirkiness and straightforward way. Quick to smile, sometimes gentle and kind, other times driven and strong. You're off to a new adventure, a progression of hard work and an inclination to move beyond. In doing so, observe the beauty around you, be open minded, and rely on your inner strength. Most of all, continue to embrace and enjoy the days ahead of you.

Much love, Mom, Mutz, and of course Kei =)

Aly-

We are so proud of you! Keep striving to always do your best. Be open to all the opportunities that life presents.

Have fun!

Love always-

Mom, Dad, and Brian

The moment you were born,
we fell in love with you.
